PLANIMETRIA GENERALE
INSERTA SU ESTRATTO CATASTALE

This cadastral map shows the project site with various lots and buildings. The lots are numbered 1, 2, 3, 4, 5, 6, 7, 8, 9.1, 9.2, 10/11, and 13.19. The buildings are labeled with their respective floor counts (e.g., 1 pft, 2 pft, 3 pft, 4 pft, 5 pft). The map also shows the surrounding area, including the Strada provinciale, Strada vicinale, and Strada vicinale esistente. The project site is highlighted in red, and the surrounding area is shown in grey.

PLANIMETRIA GENERALE
INSERTA SU ESTRATTO DI PRGC vigente

This PRGC map shows the project site with various lots and buildings. The lots are numbered 1, 2, 3, 4, 5, 6, 7, 8, 9.1, 9.2, 10/11, and 13.19. The buildings are labeled with their respective floor counts (e.g., 1 pft, 2 pft, 3 pft, 4 pft, 5 pft). The map also shows the surrounding area, including the Strada provinciale, Strada vicinale, and Strada vicinale esistente. The project site is highlighted in red, and the surrounding area is shown in grey.

PLANIMETRIA GENERALE
INSERTA SU ESTRATTO DI PRGC preliminare

This preliminary PRGC map shows the project site with various lots and buildings. The lots are numbered 1, 2, 3, 4, 5, 6, 7, 8, 9.1, 9.2, 10/11, and 13.19.
